## How the Mission Started

Our ideology leads us to form an apolitical welfare society in 2020 probably the severe pandemic looming a serious threat globally. Country like Bharat has got several remote villages and places where health infrastructure is not sufficient like urban areas of this country; whence, if such pandemic spreads in those region a huge calamity may emerge in this subcontinent. We took a brave step to register a society for upbringing of several rural and poor people. We choose the name Dr Shyama Prasad Mukherjee because we want to glorify an eminent educationalist, nationalist patriot as well as brave creative Member of Parliament of independent Bharat who remained in less light over the years

## Mission and Vision

Health is wealth but health for 130 crore is difficult to provide. Moreover remoteness and poverty is a greater hindrance for these marginal sections of the society to get necessary facilities. Government alone cannot take care of this society. Hence, mission is to help both the part with its charitable and caring endeavor to build a complete humanitarian Bharat. Without Education only health cannot build a Sampurna Bharat therefore DSPMWS vision is to contact and provide education, inspiration, sharing knowledge, changes in life style and hunt of hidden talent, distribute technical knowhow, cultural rejuvenation and also enlightening the ground condition etc. Thus in few words we want to bridge and adopt and let others to adopt sharing caring, local global, real and virtual world for our nation. Right of education, health & hygiene, right to live in this world respectfully with self indulgence and honesty along with that joining hands with rest can give us a new sun shine that we Bharatiya still lack behind from that of first world country.
